## ADVANTAGES AND DISADVANTAGES

### Advantages:

Manage different aspects of industry operations efficiently with easy access to critical moments

Create easily customizable and user-friendly forms to quickly gather information about purchases

### Disadvantages:

It does have a certain level of complexity that may not be suitable for businesses with limited technical expertise. This could impact the ease of implementation and adoption.

All Zoho Books plans set a maximum number of invoices you can issue per year. Zoho Books also lacks features for calculating any type of tax other than sales tax.

Difficult to balance your personal life. Full-time employment can be rigorous, requiring your full commitment for most of the week (normally 40 hours from 9 am to 5 pm).

#### APPLICATIONS:

Customer relationship management application software

Enterprise resource planning application software

Project management application software

Database

Resource management application software

#### CONCLUSIONS:

Preparation and maintenance of zoho books for Techpro solutions

#### FUTURE SCOPE:

Internet BankingIt allows you to manage your projects from budgeting to logging time and invoicing customers effectively. Moreover, Zoho Books Software lets you record the time spent on tasks and avoid overbilling and underbilling your customers
